

Founded in 1982, RehabCare is a leading provider of rehabilitation program management services in over 1,200 hospitals, nursing homes and other long-term care facilities throughout the United States. RehabCare also owns and operates freestanding rehabilitation and long-term acute care hospitals. We provide services within inpatient, outpatient, skilled nursing and home health settings.

Currently, RehabCare is offering a Full Time staff level opportunity to an **Occupational Therapy Assistant** for our skilled rehab program located in **Springfield, MN**.

As a licensed Occupational Therapy Assistant with RehabCare you will:

- conduct therapeutic interventions in an interdisciplinary team environment under the direction of a Occupational Therapist
- document the course of care
- collaborate with team members to develop new methods of treatment and patient education

We offer a full range of benefits depending on your status, which may include:

- Competitive compensation
- Health benefits- medical, dental, vision and prescription,
- 401K
- Paid time off
- Professional development account
- Long term and short term disability
